Hawaii and Kauai are still sev eral letters ahead of Maui.

Now THAT the city is reasonably clean it should be no great task to keep it in that condition.

Dying By Thousands; Hono-This is important as filling in the the opposite. This fact ought low marshy spots in the center of to be gratifying to the people who expressed and line the Clar.

Plans and assertications may be seen. Be says, this gentleman who reveals the secret workings of the masculine mind the city.

THE address of the Attorneywho favored sending the steam-General to his two prominent high er defended their position by sheriffs should be effective. It is stating that the sensational accouched in formal and mild terms counts that were bound to be but it does not undertake to transpublished must be denied or 768 26 mit any discretionary power.

That there is a marked move- Thanks to the San Francisco ment in real estate just now, and papers, this theory is exploded.

not a little building as well, is a On second thought, we do not To Volunteer Sanitary Inspectors and living truth of the faith of people in think that the papers are en the future of Honolulu. The titled to our thanks for the wound of the fright was not a deep

IT is expected that the mystery of the origin of the cholera will go into pickle with some other community and national puzzles or However, there is no question about the direction in which the gaunt finger of suspicion

THAT American statesmen can a step farther and decreed that longer fail to observe the imperative every house must be painted

cottage type and are made more pretty by the liberal application of paint. The residents try to outdo one another in exterior decorations and they are kept busy all the time. They are sensible people too; if a man has a fight with his neighbor he does not race to the community.

It would not be stirring up of Monday last.

Apana 3—Rev. H. W. Peck, J. D. Hott, Jr., J. A. Johnson and J. P. Conneil.

Apana 3—Wm. R. Sims, E. H. F. Wolt is, D. T. Bailey, Chang Kim and then they are kept busy all the time. Apana 4—Wray Taylor, Frank B. Apana 4—Wr

IT WOULD never do to make a It would never do to make a heavy outlay on a doubtful plan of his house a brighter color than sewerage. A safe and certain the man's next door. If a resmeans of perhaps a temporary ident is hauled up for some nature must be provided at once. The permanent system will go in does not say like Luther Wil-The permanent system will go in when there has been established cox: "Five dollars and costs."

The Ways and Means Committee request all Inspectors to inform the inhabitants of their respective Apamas legal right to issues such an order. Whether that school trustee had any legal right to issues such an order. Whether that school trustees had any legal right to issues such an order. Whether that school trustees undertake to and capacity.

THE capacity of the people o Honolulu and the Islands for putting their names on subscription issts and making good most liberally, seems to be unlimited. They actually never weary of giving. It might be well to cast about for ting their names on subscription might be well to cast about for means to avoid or destroy the necessity for the subscription list.

THE matter of either increasing the revenue or materially reducing the expense of the Government may demand the attention of the Council of State before the Legislature convenes in February next. The drain put upon the treasury by the cholera visitation will justify measures that could not be entertained in connection with expeditures necessitated by any other cause.

WHATEVER business this country may have with the United States Congress and desire to close early, had best be pushed with all vigor and power and speed. After the session, beginning in December, the people over there will have their hands full of local affairs. Their presidential election, their tariff, financial, temperance, naval equipped for lively work.

An Auroral Arch Two Thousand Miles Long. Among the many interesting communi-cations to the Astronomical and Physical is During the display an arch of auroral light rolled up out of the north and passed the zenith of Torosta, spanning the sky from east to west. Its width was fairly uniform, being from 5 degrees to 7 degrees. After lasting for several minutes its continuity broke up in the east, it wavered at the zenith and soon va dished. Fortunately Mr. G. E. Lumsden saw the arch break up and vanish in the same manner. He was at Bala, 110 miles north of Toronto, and saw the arch projected across the constellation Aquilia, at a point some 5 degrees south of the zenith. At Toronto Mr. Harvey saw the same arch at the same time 1) fing across Lyra at a point about 10 degrees south of the zenith. At Toronto Mr. Harvey saw the same arch at the same time 1) fing across Lyra at a point about 10 degrees south of the zenith. At Toronto Mr. Harvey saw the same arch at the same time 1) fing across Lyra at a point about 10 degrees south of the zenith. Toron these observations the perpendicular height of the arch main-railred an equal height above the sarth, its 1 readth about 15 miles. If the arch main-railred an equal height above the sarth, its 1 cad were 1, 150 miles away, so that the na mifficent sight was presented of an autoral lates and the control of the control of the zenith. Toronto, and its 1 is two extremities.—London Na ture.

It is a hopeful sign that the colored women of the United States have or-ganized a society of their own, the Na-tional Federation of Afro-American n-ne-ne-ne-ne-ner (i.g.g.g.g.gastan," murmured the grief stricken Valentine. "I should r-r-r-r-rather b-b-burst upon him s=s=s=s-uddenly with the ann n-n-n-non-on-ouncement and not Women. The colored women of this country work harder and more steadily than colored men do, and they do not get the recognition they should from their white sisters.

prolong his s-s-s-sufferings with sus-p-p-p-p-p-e-e-c-ense!" The horrified publisher saw in this sort of dialogue a If I were a man, I should not say much about college women not marrying. I should consider it such a poor compliment to my sex that I should want to pass over it in silence. If college women and successful business women prefer single life to accepting men as husbands, then so much the worse for the men.

> It has a pleasant sound, Farmer Kate ELIZA ARCHARD CONNER.

A Cremation.

Mrs. Alice N. Lincoln thus describes her feelings while watching a crema

tion:

"As we stood in silence watching the rosy glow which played over the white surface of the retort a feeling came to us of awe certainly, but also of peace and rest. There was something so spiritual, so elevating in the absolute purity of the intense heat that it seemed to all of us who stood there far less appalling than the blackness of an open graye."

—Her Point of View in New York Times.

Proverbe are the literature of reason or the statements of absolute truth without qualification. Like the sacred books of each nation, they are the sanc-tnary of its intuitions.—Emerson.
